

AASSFN

 7th – 9th May, 2027  Grand Hyatt Mumbai, India

General Information for AASSFN 2027 Congress Abstract Submissions

Abstract Submission Opens on 15.06.2026

Abstract Submission Closes on 31.12.2026

Abstract Acceptance Notification by 15.01.2027

(Note: Acceptance of abstracts is subject to approval by the jury. The decision of the jury is final.)

The congress will have e-posters and oral presentations. Select posters will be offered oral presentation slot of 6 minutes (5+1 minute).

Abstracts previously presented or published may not be submitted without modification. Original work must be changed or expanded, resulting in a new abstract.

Commercial Independence Guidelines

The AASSFN 2027 makes every effort to ensure the scientific program is free of commercial bias.

Selection Criteria

Submissions will be reviewed and rated by members of the scientific committee. Each submission will be reviewed for its scientific or clinical importance, ethical practice, study design, and conflict of interest. Any conflicts of interest must be resolved prior to an abstract's acceptance.

The AASSFN 2027 Scientific Program Committee recognizes that submissions of high quality, accepted for presentation at this meeting, should be acknowledged. All accepted abstracts will be published in the online version of Neuromodulation: Technology at the Neural Interface. The journal will retain the copyright of published abstracts.

Content Without Commercial Bias

From ACCME Standards for Integrity and Independence in Accredited Continuing Education

- The content of abstracts, posters, and oral presentations must promote improvements or quality in healthcare and not a specific proprietary business interest of a commercial interest. Presentations must avoid commercialism and may not contain any logos, commercial branding, or messaging.
- Abstracts, posters, and oral presentations must give a balanced view of therapeutic options. If the content includes trade names, where available, trade names from several companies should be used, not just trade names from a single company, and they should be limited to the material and methods section only. Generic terms contribute to impartiality and should be used in the title and in the body of the abstract.

Important Information

You will receive an abstract reference number via email on submitting your abstract. Please refer to this abstract number in all correspondence regarding the abstract.
